Deepa A L

Tutor in AIML

Faculty

Faculty of Engineering and Technology

School / Program

Faculty of Engineering and Technology/
B.Tech. in Artificial Intelligence & Machine Learning

Faculty Introduction

I am Deepa A L from the Artificial Intelligence and Machine Learning (AIML) department. My areas of specialization include Microsoft Azure, M365, and Python programming. I have a keen interest in exploring cloud technologies and intelligent system development. I am passionate about applying AI and cloud integration to solve real-world problems efficiently. I actively focus on continuous learning and skill enhancement in emerging technologies.
