School / Program

Faculty of Engineering and Technology/

B.Tech. in Artificial Intelligence & Machine Learning

Faculty

Dr. Asha K an Associate Professor and Head of the Department of Artificial Intelligence & Machine Learning at the Faculty of Engineering and Technology. I hold a Ph.D. in Computer Science and Engineering from RV College of Engineering, Bangalore (2023), and an M.Tech. from UBDT, Davangere (2007). With 19 years of teaching experience at GM University, Davangere, I bring deep expertise in AI and ML education. My work focuses on curriculum development, student mentoring, and fostering innovation in intelligent systems. I am dedicated to advancing AI research and training the next generation of engineers.

Qualifications

Ph.D.

CSE Research Center, RVCE, Bangalore, 2023

M. Tech.

UBDT, Davangere, Karnataka, 2007

Experience

Teaching

- 19 Years at G M University, Davangere

Research

- Region of Interest Extraction using OCR Templates
Role: Guide
Year 2020, Amount 5000
- Consistence Maintenance in Real Group Editors
Role: Guide
Year 2009, Amount 5000

Training Program Attended

- Leadership Training Program - 25th & 26th June 2024, GMU Campus
- Leadership Skills for everyone – 1 Day, 30-11-2022, GMIT
- Application development on Machine Learning and Artificial Intelligence, 5 Days, 24th to 28th August 2020, PESITM, Shivamogga
- Joy of Computing using Python, NPtel Course (FDP), Sep-Dec 2020
- Hands-On on Micro-controller & Embedded Systems, 3 – Day, CSE, GMIT, 20 January to 22nd Jan 2020
- OBE & its Impact on Accreditation Process, Five-days, RV COLLEGE OF ENGINEERING, 06th -10th July, 2020
- Building ChatBot Applications, One day, GMIT in association with RAK Analytics Pvt. Ltd. 26th, June 2020.
- Cyber Security & Blockchain Technology, 5- Days, Smt Kamala & Sri Venkappa M.Agadi College of Engineering, 03-07-2020 to 05-07-2020
- Pioneering AI Technology- A Case Study Approach, 5-Day, DAYANANDA SAGAR UNIVERSITY, 22nd June to 26th June 2020.

Awards & Achievements

- Elite in Joy of Computing using Python - 2021
NPTEL
- Resource Person for AICTE Sponsored FDP - 2021
Dept. of E & C, GMIT

Workshops / FDPs / Seminars Organized

- FDP on Object Oriented Programming with Java Laboratory- 21CSL35.
- FDP on Machine Learning.
- FDP on Computer Networks Simulation using NCTUNS.
- Java in a Week.
- Object oriented programming with C++.
- Let us C.

Projects Guided

- UG Projects

- Rural health helper based on the location using Machine Learning technique
- Machine Learning approach of automatic identification counting of blood cells
- NLP based fake news identification system
- Region of Interest Extraction using OCR Templates
- Consistence Maintenance in Real Group Editors
